

# BUY A TREE FOR THE UELHCP!

As many of you may be aware, eastern Ontario has suffered major tree damage due to the Emerald Ash Bore beetle. We have had to remove numerous ash trees and their stumps throughout the Park on the grounds of the UEL Heritage Centre & Park in Adolphustown. We are now in the phase of replacing the lost trees with new hardwood trees, primarily maples, in order to preserve the natural beauty of this heritage site and campground.

**The cost of each new tree is \$250.** If you would like to donate a new tree, please complete the following and send to the address below along with your cheque. Your gift will help to preserve and support Loyalist History. **All donations will be issued with a charitable receipt.** Should you wish further information on this project, please contact us at [1784@uel.ca](mailto:1784@uel.ca). Thank you for your support!
