

The United Empire Loyalists' Association of Canada

UE CERTIFICATE APPLICATION FORM — July April

2018 Computer Fillable Form INSTRUCTIONS

*NB: some details may vary somewhat between the PDF and the WORD versions.

1) ALWAYS use page 7 for the Loyalist Generation.

2) READ THROUGH THE ENTIRE FORM, and PLAN out which pages YOU will use.

You have a choice between using page 6 (which has space for 2 half-page generations) or using pages 6A and 6B which allow MORE space should you have more information that page 6 allows. Yes, you can use ONE half-page generation on page 6 and use either 6A or 6B as suitable.

READ the instruction CUES under the fields that help you learn what information goes where.

3) MERGE or SUBSEQUENT FAMILY APPLICATION:

This version allows you to **change the generation numbers** on an existing completed application. Therefore, if you have a family member, even a cousin, who wishes to apply later, either using a 'merge' or even after the 12 months of merge eligibility has passed, one need not re-enter all the information.

Simply open & save a renamed copy of the completed form. THEN change the generation numbers on pages 3 to 7 as needed to suit the new applicant. Create a new page 1 and 2 from a NEW BLANK form for each new applicant. In the PRINT function, you can select WHICH PAGES to print. Print ONLY the ones that you need and have completed. AND with your Proof pages, a similar renumbering will be needed. Having them saved in a word document, in the correct order, and with the citations will allow ease of again changing the numbering and a submission can be completed without much difficulty.

TERMS:

Field: a place on the form that starts off empty (possibly blue), where you can enter information.

Adobe Acrobat Reader: a computer program that will correctly interpret the PDF form. It is safely and easily downloadable from suggested sites. Adobe Acrobat VIEWER will NOT process the form correctly. Please do not fill out the form using a browser preview program of any type.

Drop-down: An option where if you click on the tiny arrow, options will appear for you to choose. Sometimes there are many so you may need to scroll down. Sometimes a calendar may appear so you can choose dates. For the MONTHS, if you type "J", first JANUARY will appear, tap J again and June will show up. To get July, tap J once more. For dates, page number, you can type in the choice instead.

You CANNOT type in a choice for the Generation number and Parent / Grandparent etc field — you must choose from the specified drop-down options.

Certificate Preparation Form: Some genealogists may provide a 'practice chart', form or other document to help gather all your information and determine correct terms to use BEFORE starting this. If you have NOT done that step, reconsider beginning this form until you have done so.

Names - BOLD, UNDERLINE & FULL CAPITALS: Names MUST be formatted correctly. This is more complex for women who have changed their names.

Examples: BROWN, Susanne Elizabetha (m1 WILSON)

This woman was born Susanne Elizabetha BROWN, and had a first marriage to WILSON. She will be recorded this way in the generation while married to the second husband regardless of his name.

IF the lineage goes through HER, then is will be shown as:

BROWN, Susanne Elizabetha (m1 WILSON) with BOLD and Underline.

The lineage children could have ANY of the three surnames, the 3rd being unknown in this example.
